Question Number	Description
1	Access to a NRCS workstation is defined as the SWCD staff in possession of an active Linc pass, and active USDA computer in which they can successfully complete contract documents related to conservation plans, like ArcPro, Conservation Desktop, and FOTG.
2	These JAA practices should be active and not expired. If expired, please list that in the notes section of the questionnaire.
3	The definition of write, is developing the plan maps, soils maps, 1155, IR sheets, 052, and other related documents for CRP.
4	Please tally the total number of acres for the contracts listed in question #3.
5	Please include all funded and non-funded applications for all RIM related applications. This includes CREP and any of the programs listed here, https://bwsr.state.mn.us/what-programs-are-available.
6	Please tally the total number of acres for the applications listed in question #5.
7	A Walk-in-Access contract is referring to the Agreement that is signed by the landowner and the state of MN.
8	Please tally the total number of contracts in question #7.
9	Each cost share contract that your SWCD approved counts as a contract. Each landowner you helped or referred to Ag Water Quality Certification and who completed the certification counts as a contract. Each landowner who you helped apply for EQIP/CSP and whose application is funded counts as a contract.
10	Please tally the total number of acres for the contracts listed in question #9.
11	The goal of this question is to figure out if your SWCD is actively engaging with the public through outreach events. If your SWCD is the main organizer, please count that event. If your SWCD provided marketing and organizational support for an event, please count it. If your SWCD sent a staff person to an event to speak, please count it. Topics may include, but are not limited to soil health, wildlife habitat, program enrollment, grassland management or other topics that promote conservation practices.

Question Number	Description
12	Please count each Facebook/Instagram/X/other social media post. If your SWCD published a quarterly/yearly newsletter, please count it. If your SWCD writes a column for the newspaper, please count it. If your SWCD sends press releases to the newspaper, please count it. If your SWCD has a blog post, please count it.
